

Buck Slip Inserts

Specification Details:

FILE FORMATS: High resolution jpegs, PDF

DPI: MUST be at least 300 dpi

Paper: Must be between .003" and 1/8" thick

INSERT SIZE W/ BLEED: 8.75 x 3.75 in.

FINAL INSERT SIZE: 8.5 x 3.66 in.

Insert design must continue through bleed. We will not accept any artwork that is less than 300 dpi. Buck slip inserts can be one sided or two sided. For a two sided insert, please create 2 separate high resolution jpegs, each following the specs above. A PDF may also be sent. Any artwork that does not follow these guidelines may cause a slight delay in preparation.
